Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

I have been away and since my return, confined to bed, which accounts for my long delay in answering your letter.

Your check for \$190.35 on account of booking fees received. Your figures and mine do not agree, however, you credit The Eagles with \$293.96 booking fees paid. The amounts are as follows:

June 1,-----	\$90.05
July 21,-----	\$91.99
Sept. 25,-----	173.12
Total	<u>\$355.16</u>

a difference of \$61.20.

The Grays are credited with \$459.45, and their statement says \$581.44, a difference of \$121.99. After receiving your statement I wrote Posey to make sure and he said these are the amounts sent in by The Gray's road Secretary.

Leuschner wrote and said he will take care of The Cubans and Yanks as soon as Miss Strong returns.

About the Eagles balance, the bill for Chester July 12th was an oversight on my part the amount was \$81.60 and not \$86.00, I am sorry. Am enclosing check herewith. About July 11th in Phila, I feel I should have received the League guarantee of 33 1/3 % if I am to be asked to pay booking fees. Please let us not get into an argument over this. I feel it should be taken up at a Meeting, if the majority of the Members feel it should be paid, I will do so.

I will let you know as soon as I hear from Leuschner again.

Very truly yours,
